B) TRAINING IN SURGICAL ONCOLOGY

Institution	Unit	Post held	Duration
<i>Rural Medical College, Loni.</i>	General Surgery & Surgical Oncology	Asst.Prof (lecturer) AUG 2002-FEB 2005	2 Years 05 months
<i>Tata Memorial Hospital, Mumbai.</i>	Surgical Oncology	Trainee MAR 2005-JULY 2005	6 Months
<i>Tata Memorial Hospital, Mumbai</i>	Surgical Oncology	Senior Registrar SR I, SR II, SR III 01.08.2005- 31.08.2008	3 Years

WORK EXPERIENCE AS SURGICAL ONCOLOGY REGISTRAR:

Super Speciality Training in Surgical Oncology: TATA MEMORIAL MUMBAI

Post Designation: - Senior Registrar (I, II, III) in Surgical Oncology Senior Registrar I,
Surgical Oncology Duration- 1st August 2005- 31st July 2006

I worked as a senior resident through various rotations in surgical oncology such as Head and Neck, Breast, Thoracic, Gastrointestinal, and plastic and reconstruction services. I had wide exposure to a number of oncological conditions with a well-organized multimodality approach to managing them. My work included daily ward rounds, care of in-patients, outpatient clinics, and the overall management of pre- and post-operative patients. I performed a wide range of oncological surgeries both independently and under supervision. I have also gained training in fibre optic bronchoscopy, direct laryngoscopy and basic Lap.

Senior Registrar II, Surgical Oncology From 1st Sep 2006 to 31st Aug 2007

Senior Registrar III: From 1st Sep 2007 to 31st Aug, 2008

Worked as Senior registrar II/III in different specialties as

The nature of work in Head and Neck oncology included daily ward rounds, care of inpatients, outpatient clinics, and the overall management of pre- and post-operative patients. I performed a wide range of oncological surgeries both independently and under supervision. The surgeries performed are: composite resection of oral cancers, conservative and total laryngectomies, thyroidectomies, parotidectomies, glossectomies, and maxillectomies. Also performed reconstructive surgeries like Pectoralis Major Myocutaneous Flap (PMMC), Deltopectoral flap (DP); patch PMMC for pharyngeal defects after laryngectomies, Karapandzic flap, Abbey- Estlander flap, Tongue flap, masseter flap etc.

Nature of work in Genitourinary and Gynecological Services

Included daily ward rounds, care of inpatients, outpatient clinics, and the overall management of pre- and post-operative patients. The surgeries performed both independently and under supervision were: Radical abdominal hysterectomy (type III, Wertheim's) with pelvic lymphadenectomy, exploratory laparotomy and staging procedures for Ovarian cancer, Radical vulvectomy , Radical cystectomy with ileal conduit/ neobladder reconstruction, Radical nephrectomy, Ilio- inguinal lymph node dissections, Penectomies, Retroperitoneal mass excision.

Also trained in laparoscopic Wertheim's hysterectomy, and cystoscopic evaluation.

Nature of work in Head and Neck ,Breast Oncology at ACTREC oncology

Included daily ward rounds, care of inpatients, and the overall management of pre- and post-operative patients. I performed a wide range of oncological surgeries both independently and under supervision. The surgeries performed were: composite resection of oral cancers, glossectomies, and maxillectomies, Modified radical mastectomies, Breast conservation surgeries, and Radical mastectomies. Reconstructive procedures like Latissimus dorsi flap. Also have gained training in internal mammary artery catheterization for the purpose of giving radiotherapy to lymph nodes along the internal mammary artery.

Nature of work in Gastrointestinal services included daily ward rounds, care of inpatients, outpatient clinics, and the overall management of pre- and post-operative patients. The surgeries performed both independently and under supervision were: Abdominoperineal resections, Anterior resections, Partial and Total Gastrectomy with D2 Lymphadenectomy, hemi and total Colectomy, Radical cholecystectomy, Revision cholecystectomy, Pancreatico-duodenectomy (Whipple's procedure), Colostomies, closure of temporary colostomies, Resection of retroperitoneal tumors, Excision of abdominal wall tumors and other minor and major procedures. Assisted in liver resections like right and left hemi hepatectomy, extended hemi Hepatectomy, segmentectomies, non anatomical resections. Also gained experience in laparoscopic procedures like staging laparoscopy, laparoscopic APR, and laparoscopic AR, splenectomy.

Nature of work in Breast services

Included management of outpatient clinics and daily ward rounds, care of inpatients, the overall management of pre- and post-operative patients. The Surgeries performed both independently and under supervision were: Modified radical mastectomies, Breast conservation surgeries, and Radical mastectomies. Reconstructive procedures like Latissimus dorsi flap, TRAM flaps. Also have gained training in internal mammary artery catheterization for the purpose of giving radiotherapy to lymph nodes along the internal mammary artery. Care of patients undergoing administration of chemotherapy (both adjuvant and palliative).

Nature of work in Plastic, Reconstructive and Microvascular services included daily ward rounds, care of inpatients, outpatient clinics, and the overall management of pre-and post-operative patients. I performed a wide range of oncological reconstructive surgeries independently. The surgeries performed were variety of pedicle and free flaps like PMMC, DP flap, Local flaps for oral cavity, LD flap, ALT flap, DIEP flap, Breast implants, Sural flaps and all minor/major reconstructive flaps

Nature of work in Minimally Invasive and Thoracic Oncology services included daily ward rounds, care of inpatients, outpatient clinics, and the overall management of pre- and post-operative patients. The surgeries performed both independently and under supervision were: Transthoracic total Esophagectomy, Transhiatal Esophagectomy, Chest wall tumor resections, both diagnostic and therapeutic Thoracoscopic procedures, Lobectomy, Pneumonectomies, VATS mobilisation of esophagus and Esophagectomy and resection of mediastinal tumors. Trained in bronchoscopy procedures

TRAINED IN CHEMOTHERAPY AND RELATED PROCEDURES DURING THE RESPECTIVE TERM POSTINGS

AWARDS/ MEMBERSHIP/ AFFILIATION:

Fellowship in Minimal Access Surgery (EHS) at Sir Gangaram Hospital, New Delhi ..Oct 2004.

Diploma in Health Management, IITM, Chennai, Feb 2004.

Founder Member, Ass. of Minimal Access Surgeons of India (AMASI)

Member, World Ass of Lap Surgeons

Member, Ass. of Surgeons of India

National Talent Search (NTS) Scholar..1990, NCERT, New Delhi

Ex co-chairperson, Ethics committee, Indian Medical Association, Maharashtra

State. State co- ordinator, Maharashtra Cancer Warroirs

Trainee, Dept. of Oncology Memorial Sloan Kettering Cancer Center, New York 2019

National Award – Dr.Munagekar National IMA Award 2018

TRAINEE IN LAPROSCOPIC SURGERY

Basic Lap Surg at WALs, New Delhi... Dec. 2003

Minimal Access Surgery/ EHS Clinical Fellowship at Sir Gangaram Hospital, New Delhi...Oct. 2003

TRAINEE IN COLOPROCTOLOGY:

Basic Coloproctology course at PIMS, Pondicherry..April 2004.

Avanced Coloproctology course at TMH, Mumbai, September 2004.

TRAINEE IN DIAGNOSTIC AND THERAUPETIC ENDOSCOPY

At Sir Gangaram Hospital, New Delhi.

G) TRAINEE IN TRAUMA MANAGEMENT

NTMC course (ATLS vesion)..Pune, Oct 2003.

CONFERENCE PRESENTATIONS

1. Retrospective & prospective study of splenic trauma at tertiary rural health care centre. MASICON 2001
2. Operative Vs nonoperative management in grade I-V splenic injuries..changing trends. MASICON 2001
3. Foreign bodies in urinary bladder. MASICON 2001
4. Anteromediastinal mass with right thyroid adenoma . ASIA PACIFIC CONFERENCE, Hyderabad 2001
5. Study of choledochal cyst and its management . ASIA PACIFIC CONFERENCE, Hyderabad 2001
6. Study of hydatid disease in in Maharashtra. ASIA PACIFIC CONFERENCE, Hyderabad 2001
7. Foreign body at root of aorta. MASICON 2002.
8. Reconstructive surgery in head and neck . MASICON 2002
9. Retroperitoneal tumors at RMC.. a retrospective study. MASICON 2002
10. Versatility of Pedicled ALT flaps in Oncosurgical reconstructions- Mumbai Plastic Surgeons Meet-TMH 2008.
11. Pharyngeal Reconstructions in Oncosurgical practice- Mumbai Plastic Surgeons Meet-TMH 2008.

WORKSHOPS, CONFERENCES AND TRAINING PROGRAMMES ATTENDED

WORKSHOPS AND CONFERENCES

MASICON 2000, 2001,2002, 2003.

LAPROSURG 2002, 2003, Coimbatore

ASIA PACIFIC 2001, Hyderabad, 2001

Workshop on prostate surgery , Pune, 2004

63rd Annual Conference, ASICON 2003, of The Association of Surgeons of India held from 25th to 30th December 2003 at Pune.

„ICH-GCP Workshops“, conducted by Quintiles India, held at the Tata

Memorial Hospital, Mumbai, on 1st July 2006, 2008.

SURGICAL ONCOLOGY WORKSHOPS ATTENDED AND ACTIVELY PARTICIPATED

Pre-conference live surgical workshop of the 13th Annual Conference of the Association of Gynecologic Oncology of India, held at the Tata Memorial Hospital, Mumbai on 2nd December 2004.

4th Tata Memorial Hospital- Women’s Cancer Initiative (TMH-WCI) Conference, held at the Tata Memorial Hospital, Mumbai on 6-7 October 2006. Delegate to “Update

On Minimally Invasive Oncosurgery-2005 (Major Surgeries –Technique and Controversies)” From 18-19 September 2005, at the Tata Memorial Hospital, Mumbai

Delegate to in the conference on “Multimodality Head & Neck Cancer in the

New Millenium”on 16-18th December 2005 held at the Tata Memorial Hospital, Mumbai in collaboration with The University of Texas, MD Anderson Cancer Center,USA.

Delegate to in “Oncosurg 2006”, the Workshop in Surgical Oncology, Head and

Neck and Gastrointestinal Surgery on 3,4 June 2006,at the Tata Memorial Hospital, Mumbai.

Delegate To “4th Tata Memorial Hospital –Womens Cancer Initiative (TMH-WCI) Conference On Breast Cancer (prognostic and predictive markers)And

Cervical Cancer(an update)” held at Tata Memorial Hospital, Mumbai On 6-7th Oct 2006.

Delegate to “Uro-Oncosurg 2006”, the Live International Workshop in Uro-Surgical Oncology, by the Uro-Oncology Services on 3-5 Nov 2006,at the Tata Memorial Hospital, Mumbai in collaboration with Mumbai Urological Society.

Delegate to “The 2nd Annual Surgical Oncology Workshop-2007” conducted by

Tata Memorial Hospital Mumbai.

.Delegate to “5th Evidence Based Management Conference on Tobacco Control And Lung Cancer” on 26- 28 february 2007.conducted by Tata Memorial Hospital Mumbai.

Delegate to “6th Evidence Based Management Conference on Interventional

Radiology in Oncology” on 29 february to 2nd march 2007.conducted by Tata Memorial Hospital Mumbai.

10) Delegate to “Cancers Of Larynx And Hypopharynx –Current Concepts And Controversies” on 25-27th Jan 2008,at the Tata Memorial Hospital, Mumbai

TRAINING PROGRAMMES

„ETHICON SUTURE PRACTICUM“ a course covering the Basics of Sutures

in Wound Closure, Knot Tying and Simulated Skin Suturing held on 18th July 2000 at Surgery Department, B.J. Medical College, Pune.

„ETHISKILLS COURSE“ held at the Ethicon Institute of Surgical Education, Mumbai held on 16-17 January 2004.

„BASIC LAPAROSCOPY SURGERY“ training at the Ethicon Institute of

Surgical Education, Mumbai held on 10th December 2005.

„THE CARDIOPULMONARY RESUSCITATION PROVIDER COURSE“ conducted by the Department of Anaesthesia, Critical Care & Pain at Tata Memorial Hospital, Mumbai 2005,2006.

„VIDEO ASSISTED THORACOSCOPIC SURGERY“ training at the Ethicon Institute of Surgical Education, Mumbai held on 16th September 2006.
